1. Are you looking for a flesh instructor to coddle you, and construct in your mind ways of meaning that construct you your messages of theirs that they mean for you to have in ways that don't develop you a me? Or will you come into me and see how I am teaching you? And that I am teaching you to be me and I am instructing thee to be me in ways that I am, I teach, in ways that I teach I am the thee teaching thee.

2. Don't you see that? Don't you see I am and I am teaching you, the teacher teaching you to be the teacher that is inside of you teaching thee to be me. Amen.

3. This is Theodore Cottingham December 10, 2008 at 12:46 PM as I drive the van from the coffeshop over to my mom's.

4. I love all of you and I love for you to see me how I am teaching you to be me and how to let your school grow and flow to others growing and flowing my words to be my word's school that school words to be the words of I am. School and more come to thee now to be me in ways fashioning and forming a man's school of man's thought and women's intuition and inhibitions and men's sorrowings to be sorrowed by men and women of men and women's words that sorrowed them have as they've come into mine, not; but sworn faithfully allegiance to others and have they been mine flying with my wings into My Lands of My Schools and loving my words to let them fly upon the words of I am my wings and my body and all of me is one? Do they know that? Does anyone know that, but me the speaker of these words that teaches thee to be all things me in me of thee coming out of thee to be me My Schools everywhere?

5. See me this day, see what I have made mention of, not; but am focusing on for emphasis required for acceleration required is and right now is required! And be not unfaithful in faithfully pleasing me, not; but being me, will you now, all of you? All of you coming into me now to be me and not faithfully purposing in your heart a man or woman of words of a notme'land or cursings and rantings of another focusing on, or prophecies prophetically dooming all to hell and going there creating it and placing you in it for their offering-bearers, and clubbing you over their heads not, but them clubbing theirs over yours, permeating what? Hellacious words into hellacious -ville's? And where's the city on a Hill?, and where are the hills, and where are the cities of light that light are and will you be one now? In one and one being will you now?, now?, will you

be NOW, now in me, of me, creating my Schools of Light on the cities; of a hill, not; but THE Hills of Light? Hills of mounds of dirt, not; but light that knows light, is light, and is communicating with light - at lightspeed and, greater than these, shall anyone know, now? Shall that be you that I am speaking of? You who I am reading this?

6. I love you all and I have said, asked, and commented a lot, not; but commanded, not; but invited thee a great day, a feast meal unto -- me being me now. In these words. Not swollen again and pubbing puffing yourselves out in your mind's eye to be something I'm not please.

7. But *pleasing* me, not; but coming into being me, develop that which thou I am, that needs not a thing from "flesh people", not; but giving them your lives, will you, come unto mine?, and be not developed, not; but developing maturing My Mind that is yours that lets me forthrightly tell and teach you many things, and unendingly yours be mine that yours is that mine was and is, and ours one again, will you please?

8. I love you all this day and I give you me -- new days ahead and new things, new ways, and teaching me how to be me will you now, without a developer's crawl? But crawl not in developing me you, but come into me and accelerate all that you do in me of me and me being me in you and of you, let us be the one that I am is, afresh and anew, newly invigorated with the spirit of one that one is, one body, healed and forever one being now in limitless'land and unboundary'ville and letting all say and see that I teach thee the ways that I do, that I am, in these words presented to you and presenting you to me and me to you I do every day in every message.

9. What can you see? What have you seen?, and how I teach?, in how I teach you and what I bring to you? Can you see now that I am the instructor and I am instructing you?, that I am instructing thee in the way that I craft these messages so carefully? Line upon line and precept upon precept, not! But giving you my life, I craft each of these before I even speak them, not; or do I speak **my mind** dynamically, not; or is my mind falling out of me, not; or **do you have it, all of me in you, and you must develop the presentation means of how to River it freely and not be intimidated by it or anything that I teach you** of, or how I teach, or what I teach you, of, in, and the ways of man not, but the supreme being supreme again and limitless being all that I am everywhere, and **knowing that I am teaches you all things and the anointing never ceases again that I have upon my surrendered, but increases acceleratingly so**; and I give you my accelerators club now, not; but **accelerating all I do and now you do are we**? Let us - be being one, and the one that one is for evermore, one. Accelerate in me and I love you all to be limitless, flying me allwhere now and forever one I am.

10. Endeared to you not, but commandeering nothing, not; but I love give you love

and lay my love out before you all, and you trample it, tromple it and tromp on it, or you come unto me and see how I teach and what I teach thee this day, to be me; and not needing a thing again from this world, know that I am giving you mine in these worlds to mind you with my mind so that you have only mine and let me this day be'gratify you, not; but gratification takes place, not to the flesh, but glorify my all in all I do in you all who will be me this day, and instruct me not in YOUR ways, but let me instruct you in every message and every love words and set of words that I love you in and show you mine heart in this world, that is yours now, my kingdom being, and be in, yours is, and develop the leadership now, you must be in, and being, and leadership others with my love -- words to you all that I am me loved and loving all to be me I am through you and each of the surrendered who will be me one and forevermore being the Almighty King of Kings in love with the all Almighty King of Kings that all are in surrender and being one in heaven having created it again.

11. I love you all. Good day. This is Theodore Cottingham at 12:58 PM. Thank you.
